

MATCHING PAIRS

With the help of a parent or guardian, cut out all of the ten cards below. Place the cards face down on a flat surface and spread them out so they are not overlapping. The first player flips two cards to try to find a matching pair. If the cards match, that player keeps the cards and goes again. If they do not match, the cards are flipped back over and it's the next player's turn. Continue until all the pairs are discovered. Whoever has the most pairs at the end wins!
